## Pupil Support Fund

Thank you very much for helping a young child to go to school.

Donations to the Pupil Support Fund run alongside the normal fundraising activities for The Uphill Trust.

These funds are ring-fenced - any money that remains at the end of each academic year (e.g. due to favourable exchange rates) helps to cover emergency medical treatment or unanticipated one-off costs that may arise for any child at the school.

	Donation	Year	Month	Application
1	Help a child to go to Uphill Junior School	£180	£15	School & examination fees, hot lunch on every school day, school bag, school supplies, personal items (toothpaste, soap, shoe polish, etc)
2	One-off donations	-	-	Help for any child who has short term support needs

Pupil support donations can be paid annually in advance or on a monthly basis by setting up a standing order with your bank.
